

THE BIGGER THE FOOL (THE HARDER THE FALL)

Kris Kristofferson / Mike Utley / Stephen Bruton

Hey doesn't it still look easy as it did to you

Hey wasn't it true, after all

I couldn't help myself girl

And I can't blame you

The bigger the fool, the harder the fall.

Living on old illusions and some make believe

That mattered to me, most of all.

Closing my eyes to changes, I've refused to see

The bigger the fool, the harder the fall.

Somewhere in your future, on the far side of your world,

You might read my writing on the wall,

And think of the easy dreamer who believed in you.

The bigger the fool, the harder the fall.

If someday you wake up in a world that's turned on you

And nobody answers, when you call

Hey, think of the crazy dreamer, who believes in you.

The bigger the fool, the harder the fall.

Think of the crazy dreamer, who believes in you.

The bigger the fool, the harder the fall.
